

A NOISY PRAYER ACTIVITY

This activity may not please your parents but Jesus told us to go and tell the world about Him – **SO LET'S DO IT**

Bible Base: Matthew 28 v16-20

You will need:

A large bit of thick paper or thin card

A large plate

Felt Tips, Pencils, Stickers

Sticky tape

1. Ask your parent if you can use a large dinner plate. If they say OK then put half the plate on your paper and draw around it so you get a semi-circle shape
2. Cut out the semi-circle
3. Decorate one side of your shape with stickers, draw rainbows or different shapes or write 'Praise God' all over it. The choice is yours
4. Stick the two straight edges together with sticky tape so your decorations are on the outside. At the 'pointy' end cut off the top with scissors for your mouthpiece.

NOW PRAISE GOD USING YOUR MEGAPHONE

God you are the best

I praise you

Thank you for Jesus

I praise you

Thank you for our wonderful world

I praise you

YOU CAN THEN ADD YOUR OWN THANK YOUS

Jesus told us to go and tell everyone about him so again with your megaphone do just that. Maybe to your family or, from your window or when you are in your garden just shout out

Jesus loves us,

Jesus loves everyone.

Amen
