

A PRAYER ACTIVITY

Before you get onto prayer, why don't you play
'THE GUESS WHO' game with your family.

HOW TO PLAY:

1. Get some post-it notes or blank stickers or anything that can be stuck to a forehead (just above the eyebrows).
2. Let everyone have a pen or pencil and write a character's name on the post-it note without anyone seeing it. This could be a Disney or Marvel Character, someone from history, someone famous, or a story character.
3. Then everyone needs to put their post-it note on another person's forehead.
4. Taking it in turns, ask questions to try and find out who the character is on your post-it note.
5. You can guess as many times as you like.
6. Everyone can clap when the character is guessed

BIBLE BASE: 1 Corinthians 15 v1-11 (this is in the New Testament)

In these verses Paul talks about the times that Jesus met with people after he rose from the dead (resurrection). You may remember from previous weeks that some people didn't recognise him, others needed proof it was him, some could not believe that he was alive at first. They asked questions, puzzled over it and had to find out for themselves what was going on.

This is a little bit like the game above – asking questions, puzzling over who you might be, trying to find out for yourself what character's name was on your forehead. Hopefully once you found out, all the clues you had been given made sense.

Finding out who Jesus is, is amazing. God's son, our Saviour and our Shepherd.

So why don't you write the name of Jesus in bubble writing and colour it in bright colours, just like some of you may have done for the NHS. The picture below is an example.

NOW FOR PRAYER

Take your Jesus colouring and lay it in front of you and let's start to pray

Dear Jesus

Thank you for loving me enough to be my saviour

Thank you for helping me to find out more about you through
(you can put your own words here e.g. my family, my church, reading the bible)

Please help me to get to know you better and be more like you

Please help me to understand the Bible and remember your promises. AMEN

You can add to this prayer or say your own if you wish or
stick your Jesus colouring on a window
