

The Toy Prayer Activity

The Book of Acts is the 5th book in the New Testament. It starts with Jesus returning to heaven, the choosing of a new disciple and the coming of the Holy Spirit. God's church was born and we are part of that church over 2000yrs later. How amazing!!

God's family
live all over
the world

As Jesus' followers
we should be kind,
caring, loving, able
to share & wanting to
help and pray for
others

So today we are going to pray for God's family all over the world.

I sometimes find praying hard to do and it helps me to have something to look at.

so why not try it!!!

Find 5 toys/items – a doll or teddy
a ball
ipad or mobile phone
a car or a train or something that moves
a board game

NOW YOU ARE READY TO START

Find somewhere quiet to sit and space the toys out in front of you

ARE YOU READY TO PRAY?

Look at or hold your doll or teddy, cuddle it if you like
Think about God's family all over the world and how much God loves them as
he does you. Say

Dear God, thank you that you love us all so much

Look or hold your ball
A ball is round just like our world. Think about another country you know
something about. Say

**Dear God I pray for Help the church in to help
those who are poor, ill or who feel sad**

Look or hold your ipad or phone or computer
Think about how it helps you to talk to your family and friends when they
aren't with you. Say

**Dear God, thank you for phones and computers that can help me
to talk to my family and friends. Thank you that the internet and
phones can link your family together all over the world**

Look at your car, train or whatever you have chosen. Say

**Dear God, please keep families safe who have left England to go
and be missionaries in another country. Help them and me to tell
others about you.**

Look at or hold your board game. Say

**Dear God, I pray for children across the world who have no
homes, little food and water, no friends and no games to play.
Help me to pray for them and that Christians can help them to get
what they need so they can enjoy life, feel safe and know you**

AMEN
